

Staff Impression 10B46

Face: Donor has a full, oval-shaped head that is slightly larger-than-average sized. He has an average width jawline with a rounded chin. His forehead is slight higher than average height and his cheekbones are of average height whenever he smiles.

Lips: He has both a medium upper lip and medium bottom lip with an average-width smile that is a nice feature of his face.

Nose: His nose is average in length with an average size and slightly rounded profile. His bridge is straight and is attractive from a profile stance. His nostrils are average in both width when not smiling and slightly larger than average when flared and smiling.

Ears: He has slightly larger than average-sized ears that are a medium distance from his face with detached earlobes.

Eyes: 10B46 has almond-shaped eyes that are average in size and show an average amount of eyelid naturally. They are set at an average height on his face and are set a little narrower-than-average width apart, with beautiful long-lengthed and curly eyelashes. They appear as if he is wearing mascara and are a beautiful feature of his face as are his eyes as well.

Eyebrows: Medium-thick and long-in-length eyebrows that are curved in shaped with high arches.

Hairstyle: Donor keeps his hair longer than average/shoulder length with layers. His natural curls/waves fall naturally and is a very attractive attribute of this donor.

Appearance and Style: 10B46 keeps a very casual style and constantly shows up wearing t-shirts, jeans, and sneakers. At times, he enjoys wearing comfortable sweat pants/joggers with his t-shirts. Whenever you see him, he always has a smile on his face when he comes through the door. He frequently appears like he has a 5 o'clock shadow. 10B46 tends to give off a very easygoing, sweet guy vibe that reflects his personality to a tee.

Summary: 10B46's first impression can come across as quiet and shy. After chatting with him for awhile, you realize that he can be a talkative sort when talking about subjects that he is really interested in such as pet cats and video games. The one great thing with Donor 10B46 is that no matter how his day is going, he always has a genuine smile to greet you when you see him.
